2. There are 14 double swims for 2 anglers and 4 swims for 1 angler. All 14 double swims have got to be reserved for 2 anglers.
3. A maximum of 3 rods per angler will be allowed.
4. No Braided mainline. Minimum main line BS of 15 lbs and hook links 25 lbs.
5. Lead core is forbidden to be used on Cavagnac lake . We recommend tubing !
6. Micro barbed hooks only, up to size 2. Bent hooks (long shank, curved hooks barbless hooks etc .. ) are not allowed.
7. Only safe rigs utilizing a proper lead discharge system, such as safety bolt beads, allowed. You can also use inline leads as long as the system will allow the lead to detach itself when snagged.
8. Boats are provided for access to certain swims (Chateau, meadows point and sanctuary) , for baiting purposes or to rescue snagged carp. Life jackets must be worn at all times.
9. Drive and survive anglers must have very good carp care safety kit. ( unhooking mat, sacks, weight sling, landing nets ) will be supplied the kit for you .

10. Unhooking mats have to be used at all times. No fish to be taken out of the water until you have all the equipment ready ( unhooking mat, sacks, weight sling and camera ).
11. All these fish are our babies, unfortunately we cannot be there for all your captures. We have to prioritise some of our Bigger Fish. We will let you know once on site. These fish must not leave the water until one of the bailliffs has arrived
12. Please treat fish with respect : keep handling to a minimum when weighing and photographing your catch and return fish to the water as quick as possible.
13. If carp is injured , all anglers must have medi-carp with them. Must be purchased at the lodge if not have.
14. As we all know, Grass Carp are not the strongest of the carp family and are prone to stress very quickly. Do not touch the Grass Carp at any time. This is for the welfare of the fish.
15. Concerning Particules and Tiger Nuts etc ... , it Happened too often that some of our fish died because of wrong preparation. That is why we supply you a mix of Maise, wheat, pigeon conditioner (approx 15 kg buckets ) and tiger nuts pots (approx 1.5 kg). This preparation will be at your disposal for a minimum cost at the lodge. (dont forget to inform us 24 hours in advance).
16. Any form of artificial baits are forbidden( ie tiger nuts , mais , boilies ; maggots etc ...)
17. Do not throw the rest of your baits either in the lake or on the bank before departure, please return unused bait to the lodge.
18. Barbecues are not allowed.
19. If you are struggling fishing on your swim, you can ask for some help and advice. Stalking is allowed, but no prebaiting allowed, ask the manager on site where to go. he is always here to give helpful advice.
20. Pike fishing isn't allowed at any time, but you can fish different species of other fish please ask the bailliffs.
21. You must keep your swim clean at all times. You will find plenty of bins provided on the swims. For community and ecologic reasons you must separate your rubbish ( batteries, Glass, metal, normal rubbish separate). .(remember this is part of your refundable deposit).
22. Crafty Carpers !! please use the toilets provided on the site, do not take the loo rolls and use them for fouling the swims, defecating around the lake will not be tolerated. Those found fouling their swim will be asked to leave the lake and will not be able to return in the future.(remember this is part of your refundable deposit).
23. Drive and Survive anglers : you are using the car park at your own risk. On the Friday morning you wont arrive before 10:30am. A parking outside the complexe as been put to your disposition to wait for the lake opening time 11:00am to 15:00pm. For your departure you cannot leave at crazy hours of the morning for the respect of other fishing anglers. 8:00am to 11:00am.
24. You are on holiday, by all means have a drink and enjoy yourself, but don't spoil it for others. Drunken behavior will not be tolerated.
25. Any anglers not respecting these rules, the fish, environment, fellow guests or fishery staff will be asked to leave the water. We are not prepared to pay any costs this may incur.
26. It is necessary for our policy that you agree to all our internal rules.
