

# **ANGLERS SAFETY BRIEF ACCEPTANCE FORM**

**Each anglers enters the lake for the purpose of fishing completely at their own risk.**

**Print** (name) ..... **Date** ..... **Signed**.....

**I have my own boat** .....

**I have my own life jacket** .....

## **LIFE JACKETS**

For your safety, please ensure that you choose the correct size of life jacket for your weight. If there is no appropriate life jacket available, **then you are not under any circumstances permitted to use the boats.**

Please make sure that you are absolutely clear of these rules which are designed to ensure your safety.

Upon arrival at the lake, we will demonstrate the correct fitting of the life jackets. It' s important that you clearly understand how to correctly fit the life jacket, and that you never enter a boat unless your life jacket is correctly fitted. If you have any queries, then please ask us to insure that you have absolute clarity on how to safety wear the life jackets provided.

We understand that some anglers may not wish to enjoy the boating experience so, when you arrive at the venue, please make this clear to the manager and this will be taken into account. Boats are only to be used for baiting up, putting rods out or for landing fish on all swims, accessible by pathways. Boats are **not** to be used for rowing around the lake, or back to the lodge. Swimming is completely forbidden

Life jackets **must** be worn at all time, when out in the boat. Life jackets **must** be properly fitted and secured at all time, when worn in the boat. Any angler found breaking any of the above rules will be banned from using a boat, for the remainder of their visit. The S.E.L.C is not liable for any form of transportation of your goods to and from swims.

Should any anglers who have been caught or seen broking **any** of the above rules and as a result has been banned from using a boat, then be found using the boat again, will be **immediately** requested to leave the venue. Anglers wishing to use the boats at **Cavagnac Lake** do so **entirely at their own risk**. With the understanding that the **S.A.R.L S.E.L.C** cannot be held liable in the event of any accident, costs, loss, or damage etc.. and no refunds will be made. It is compulsory that each angler have their own personal travel insurance.

## **CARS and TRAILERS**

Please note that the S.E.L.C. is not responsible for any car damage, Loss, thief's, natural disasters etc ...

The owners park at their own risk as stated on the notice boards in the parking areas.

As you are signing the document, You also agree to the followings regulations of the S.A.R.L S.E.L.C Cavagnac Lake on the web site [www.cavagnac.com](http://www.cavagnac.com) and on the wall outside of the lodge shown by one of the team on arrival.
